SERUM

## COLLAGEN

It is the most abundant protein in the body and makes up one-third of all body proteins. Collagen, a very important component of connective tissue, holds the tissues together like glue.

## HIALURONIC ACID

Structurally it is known to have a water retention feature of about a thousand times itself. Thanks to this feature, it has an important place in the healthy movement of muscles and bones. At the same time, the decrease in hyaluronic acid in the structure of the skin, which is the largest organ of our body, can cause skin dryness and wrinkles.

## OMEGA 3

Enhanced Skin Elasticity, protects skin against sun, reduces signs of aging, anti-inflammatory properties and may improve inflammatory skin diseases, including psoriasis and atopic dermatitis.

## USAGE

It is applied to the face area.  
You can apply it morning / evening to clean skin by massaging with circular movements.

## USES:

Collagen serum is enriched with Omega 3 from Avocado Oil. It contains. It nourishes your skin and helps you gain a more lively and youthful appearance. It helps to challenge the negative effects of time.
