- Repeat treatment after 7–10 days if needed.

KEY BENEFITS

Treatment of head lice (pediculosis)

- Removal of lice and their nits when used with a fine comb.

BENZOYL FOAM & SOAP

Benzoyl Peroxide

Benzofoam 4% , 10%

Benzobar 5%

Description

Benzoyl Peroxide Foam is a topical anti-acne medication indicated for the treatment of moderate to severe acne. It works by killing acne-causing bacteria (*Cutibacterium acnes*), reducing inflammation, and helping to remove excess oil and dead skin cells that block pores. The Foam & Bar form allows easy application and rapid absorption, especially use for chest and back acne or use with other treatment to complete course of it and not have side effect to use for a month to year.

INDICATIONS

- Moderate to severe acne vulgaris.
- Inflammatory acne with papules and pustules.
- Oily and acne-prone skin.

DOSAGE

Apply once or twice daily as directed by a physician or professional pharmacist.

HOW TO USE

- Clean and dry the affected area before use.
- Shake the container well before each use.
- Dispense a small amount of foam or bar onto the place.
- Apply a thin layer once daily at first to minimize irritation.
- If well tolerated, increase to twice daily as directed by a doctor.
- Avoid contact with eyes, lips, mouth, and mucous membranes.
- Wash hands thoroughly after application.

HAIR REPAIR SET

SHAMPOO & SPRAY

Active Complex: Procapil – Anagain – Redensyl – Capixyl – Baicapil

It is suitable for men and women experiencing diffuse hair thinning, androgenetic alopecia, or weak, brittle hair.

DIRECTIONS FOR USE

SHAMPOO

1. Apply to wet hair and scalp.
2. Gently massage for 2–3 minutes to activate microcirculation.
3. Leave on for 5 minutes before rinsing thoroughly.
4. Use 3–4 times per week.

SPRAY

1. Apply directly onto dry or towel-dried scalp.
2. Spray evenly over thinning areas (about 5–8 sprays).
3. Massage gently with fingertips to enhance absorption.
4. Do not rinse.
5. Use once or twice daily for best results.

Recommended course:

At least 3 months of continuous use.

USES

Ingredient Mechanism of Action

Procapil™ Strengthens hair anchoring by improving blood flow to the follicles and preventing follicle aging (via DHT inhibition).

Anagain™ Derived from organic pea sprouts; stimulates dermal papilla cells to reactivate hair growth and extend the anagen (growth) phase.

Redensyl™ Reactivates stem cells in the hair bulb to trigger new hair formation and reduce hair fall.

Capixyl™ Contains biomimetic peptide and red clover extract; reduces hair follicle miniaturization and inflammation.

Baicapil™ A natural complex that increases hair density and visibly reduces hair loss after continuous use.

Together, these ingredients nourish the scalp, revitalize follicles, and promote stronger, thicker, and healthier hair.

ZINC PCA It prevents the formation of acne, It has effective on burns and scars, It gives shine and glows to the skin and provides a healing effect.

DIRECTIONS FOR USE

Apply regularly onto moist skin by massaging every day. Then rinse with water.

KEY BENEFITS

Dr.AM Akneclean facial cleansing gel, Helps to regulate the sebum balance of the skin. The Zinc PCA in its content helps stabilize oily skin by providing a balance of sebum. The soap-free formula cleanses the skin without drying

NIACINAMIDE

S E R U M

Vitamin B3

Niacinamide (Vitamin B3) serum acts as a versatile, cell-signaling, and barrier-repairing agent for the face. Its primary mechanisms include inhibiting melanosome transfer to reduce pigmentation, downregulating sebum production, boosting ceramide synthesis for improved barrier function, and calming inflammation.

It also stimulates collagen production and boosts NAD⁺ levels, enhancing overall skin health.

DIRECTIONS FOR USE

Cleanse and dry the skin before application.

- Apply 2 - 3 drops of serum to the face or affected area.
- Gently massage until fully absorbed.
- Use once or twice daily, morning and/or evening.
- Follow with moisturizer and sunscreen during daytime.

KEY BENEFITS

- Improve the appearance of uneven skin tone.
- Reduce dark spots and hyperpigmentation.
- Control excess oil and minimize pores.
- Strengthen the skin barrier.
- Improve skin texture and radiance.
- Calm redness and irritation.

ANTI WRINKLE

S E R U M

COLLAGEN It is the most abundant protein in the body and makes up one-third of all body proteins. Collagen, a very important component of connective tissue, holds the tissues together like glue.

HYALURONIC ACID Structural it is known to have a water retention feature of about a thousand times itself. Thanks to this feature it has an important place in the healthy movement of muscles and bones. At the same time, the decrease in hyaluronic acid in the structure of the skin, which is the largest organ of our body, can cause skin dryness and wrinkles.

OMEGA 3 Enhanced Skin Elasticity, protects skin against sun, reduces signs of aging, anti-inflammatory properties and may improve inflammatory skin diseases, including psoriasis and atopic dermatitis.

DIRECTIONS FOR USE

It is applied to the face area.

You can apply it morning / evening to clean skin by massaging with circular movements.

KEY BENEFITS

Collagen serum is enriched with Omega 3 from Avocado Oil it contains. It nourishes your skin and helps you gain a more lively and youthful appearance. It helps to challenge the negative effects of aging.

Dr:AM

DERMABLOCK

CREAM

ALPHA-ARBUTIN Evens out skin tone, Provides repair of skin that has hyperpigmentation potential and makes the skin clean and bright.

AZELAIC ACID It is a naturally occurring acid called dicarboxylic acid, It helps to prevent acne scars from appearing. Due to its anti-inflammatory feature, it helps to reduce acne spots, Evens out skin tone. Increases cell regeneration.

PANTHENOL Strengthens the skin barrier, traps moisture, nourishes the skin, It is a skin-friendly nutrient.

VITAMIN E Provides lightening of skin tone, reduces UV damage, Due to its antioxidant feature, it prevents the formation of comedones, Neutralizes sebum oxidation, and maintains mois-

DIRECTIONS FOR USE

You can use it once a day, by applying it to the whole body, on dry skin it is recommended to apply twice a day. 50 ml e

KEY BENEFITS

Due to Tea Tree Oil and Azelaic Acid in its content, it helps to tighten the pores on the skin and repair the skin texture and gives the skin a natural shine. Due to hyaluronic acid and vitamin E, it helps your skin to gain a smooth appearance by balancing your skin natural moisture.

AKNEBLOCK

CREAM

SODIUM HYALURONATE

It prevents skin aging. Used to prevent acne scars on the skin. It is effective in repairing tissues and maintaining their elasticity. It helps to form and maintain collagen fibers. It has a healing effect on irritated and inflamed skin. Contributes to cell regeneration and repair.

JOJOBA

Prevents moisture loss in the skin, It has anti-microbial properties and antioxidant effects, It protects the skin against bacteria.

ARGAN OIL

Softens the skin, Moisturizes and protects against drying, Provides nutrition to the skin and cell regeneration.

E VITAMIN

Provides lightening of skin tone, reduces UV damage, Due to its antioxidant feature, it prevents the formation of comedones, Neutralizes sebum oxidation and maintains moisture in the skin.

DIRECTIONS FOR USE

Apply 15 minutes before getting under the sun. It is recommended to apply sun protection products every 3-4 hours.

KEY BENEFITS

50 SPF, with its UVA and UVB filters, filters harmful sun rays. Vitamin E protects against free radicals and provides strong antioxidant effect. It provides effective cell protection with Panthenol. Bisabolol ensures intense moisture against dryness.

VITAMIN C

S E R U M

SODIUM HYALURONATE

Sodium hyaluronate is the salt of hyaluronic acid. While moisturizing the skin very well, it helps to prevent or delay wrinkles that occur with age. A sodium hyaluronate molecule can hold 20 times its own weight in water.

PANTHENOL

Panthenol is an alcohol derivative of pantothenic acid, a component of B complex vitamins and is an essential component of healthy epithelium. Dexapanthenol, the active form of panthenol, is enzymatically broken down to form pantothenic acid (vitamin B5), an essential component of Coenzyme A that acts as a cofactor in many enzymatic reactions important for protein metabolism in the epithelium.

DIRECTIONS FOR USE

After daily cleansing, apply a few drops of serum to your face twice a day until absorbed. Regular use is recommended for better results.

KEY BENEFITS

The brightening vitamin C serum provides your skin with a bright and durable appearance as well as its anti-blemish effect. Helps regulate and brighten skin tone.

TINTED CREAM

Tinted Sunscreen Cream SPF 30 – With Foundation Effect

PRODUCT OVERVIEW

A broad-spectrum tinted sunscreen cream that provides effective protection against UVA & UVB radiation while delivering natural foundation-like coverage.

Formulated with advanced UV filters, skin-conditioning agents, and antioxidant vitamins to protect, hydrate, and even skin tone.

MECHANISM OF ACTION

1-Butyl Methoxydibenzoylmethane (Avobenzone):

UVA Filter

- Absorbs long-wave UVA rays (320–400 nm)
- Prevents photoaging, collagen breakdown, and pigmentation.
- Converts UV radiation into harmless heat energy.

2- Titanium Dioxide:

Physical (Mineral) UV Filter

- Reflects and scatters UVB and short UVA rays
- Forms a protective barrier on skin surface.
- Provides immediate sun protection after application.

3- Niacinamide (Vitamin B3):

Skin Barrier & Brightening Agent

- Increases ceramide synthesis.
- Reduces hyperpigmentation by inhibiting melanosome transfer.
- Anti-inflammatory (reduces redness).
- Improves skin elasticity.

Promotes even skin tone and strengthens barrier function.

4- Sodium Hyaluronate

Hydrating Agent

- Binds water up to 1000x its weight.
- Improves skin hydration and plumpness.
- Reduces transepidermal water loss.

5- Iron Oxides:

Tinted Pigments

- Provide natural foundation coverage.
- Help protect against visible light (HEV/Blue light)
- Reduce appearance of imperfections.

Directions for Use

- Apply generously to face and exposed areas 15–20 minutes before sun exposure.
- Reapply every 2–3 hours or after sweating/swimming

Key Benefits

- 2-in-1 Sunscreen + Foundation
- Lightweight & non-greasy
- Smooth, silky texture
- Hydrating & antioxidant enriched
- Suitable for daily use
- Ideal for all skin types
